

# Update: Sewer Work Your Neighborhood

## Keeping you updated on the Mound Area Sewer and Lift Station Project

*Road closures will be in place for lift station and sewer pipe construction*

### Work beginning in your area

Metropolitan Council Environmental Services (MCES) is starting construction to improve its regional sanitary sewer facilities that serve your homes and businesses in the City of Mound.

Construction this year will require closures on Bradford Ln. and work in Swenson Park. We know there is a lot of activity in the area as both MCES and the City of Mound make utility and street improvements. Inside this flyer you'll find an update on our current schedule and expected closures.

Thank you for your patience.

390 Robert Street North  
St. Paul, MN 55101-1805

Find additional information about the project online at:

**Update: sewer work in your area**

# Mound Area Sewer and Lift Station Improvements Update

## Current MCES Construction Schedule

### 2016 Construction

#### August-November

- Work on Lift Station L39 at the southeast corner of Bradford Ln. and Wilshire Blvd. begins in August (tree removal will occur first at the lift station site and in Swenson Park)
- Sewer reconstruction along Bradford Ln. between Wilshire Blvd. and Swenson Park begins in August (a portion of the work between Monmouth Rd. and Swenson Park will be tunneled; the work between Monmouth Rd. and Wilshire Blvd. will require open excavation)

### 2017 Construction

#### Spring-Summer

- Sewer and water main reconstruction along Wilshire Blvd. between Bradford Ln. and just north of Lakewood Ln., including tunneling under the channel (Wilshire Blvd. will be closed for several months during this work)
- Continue Lift Station L39 construction

### 2017 Construction

#### Fall-Winter

- Complete Lift Station L39 and work along Wilshire Blvd.
- Sewer pipe work along Manchester Rd. between Swenson Park and Brighton Commons, and along Brighton Commons between Manchester Rd. and Tuxedo Blvd. (these areas will require tunneling)

### 2018 Construction

#### Spring-Summer

- Construction completion and final restoration

## Road Closures

Several roads in the area are closed for MCES and City of Mound utility and street reconstruction work, including:

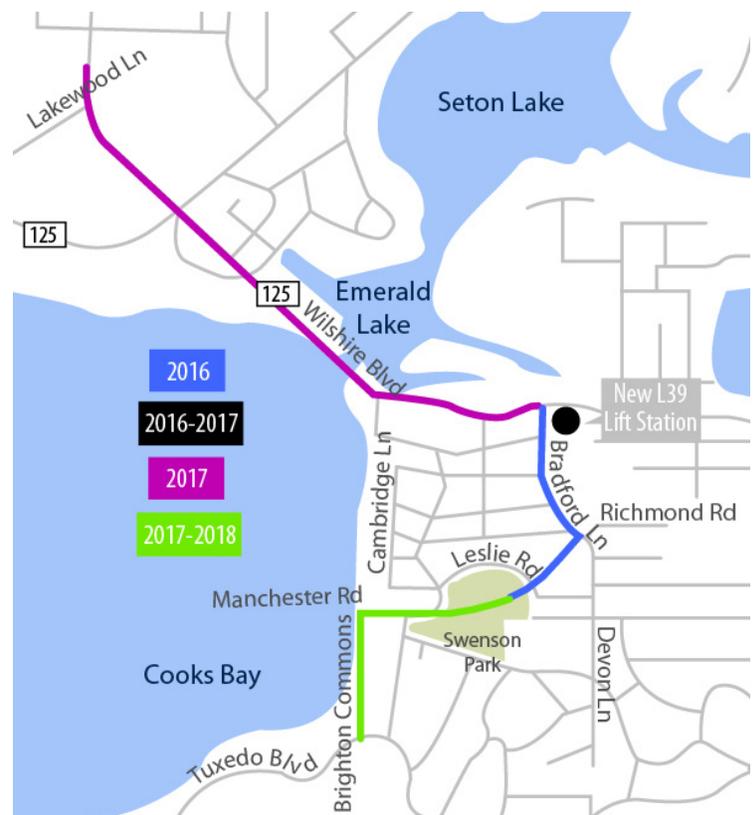

- Bradford Ln. between Wilshire Blvd. and Monmouth Rd. closes beginning Aug. 8 (MCES construction)
- Tuxedo Blvd. between Wilshire Blvd. and Clyde Rd. (City of Mound construction)

Posted detours for traffic on the island will direct drivers to Brighton Blvd. to avoid the closures.

### How do I stay updated on road closures?

To stay informed about area closures and other construction activities, visit the project website, sign up for email or text updates, or call the hotline for a recorded update (website and contact information is available below).
