

Cypress and Maywood Road and Utility Repairs

Access to the Centennial Building will be provided via the alley way South of the Fire station off Wilshire Blvd during the completion of street and Utility repair work on Cypress and Maywood. During the work, the streets will remain open to local traffic only.

Business Access to Super America will be maintained and marked by the contractor to allow access and departure from/to both east and westbound routes on Shoreline/C.R.15; follow posted markings.

Work will be completed by 31 October.
