

Possible Activities:

- ✿ Organize Spring and Fall clean-up
- ✿ Pull weeds
- ✿ Pick up litter on a regular basis
City will supply bags and city staff will pick up full bags at the site.
- ✿ Cultivate annual or perennial flower beds
- ✿ Furnish and plant flowers
- ✿ Clean park signs of dirt and graffiti
Notify city staff if assistance is needed.

How Do I Get Started?

To learn more about the Mound Adopt A Green Space Program or if you are interested in an application, program guidelines, or would like to view a list of the parks, beaches, and planters available for adoption, contact Mary Mackres at:

City of Mound ADOPT A GREEN SPACE Program

City of Mound
2415 Wilshire Boulevard
Mound, MN 55364
952-472-0600

What is the Adopt A Green Space Program?

Adopt A Green Space is a partnership between the city of Mound and Mound residents. The program encourages groups and individuals to commit to the beautification of one of the City's green spaces such as a neighborhood park, beach, flower box, or the Andrews Sisters' Trail.

Who can Adopt?

Anyone can adopt a green space. Helping beautify Mound by planting flowers and maintaining the area is a great activity for community organizations and clubs, churches, businesses, families, neighborhoods, and individuals.

Why Adopt?

The goal of the program is to promote beautification, participation, and community pride as our volunteers demonstrate to visitors and residents alike that we care about our city and the way that it looks. Volunteers are a vital part of the program and do make a difference in Mound. Signs are provided that recognize the individual volunteer or group and are placed at each site.

How does the Program Work?

Volunteers select an available park, beach, or flower box to plant and maintain. The commitment is for one year. Once involved, current volunteers will have the opportunity to renew an adoption for successive years before their space is offered to others. Ongoing maintenance is late spring, summer, and fall. Volunteers set their own schedule.
