Mayor Salazar
Council Members
City of Mound
2415 Wilshire Boulevard
Mound, MN 55364

Dear Mayor and Council Members,

Please find the attached 2023 proposed *final* budget for your review and consideration. An additional cover memo is included in the regular Council packet that provides further justification for maintaining the 5% total levy increase and increasing water rates by 3% and sewer rates by 3%, all of which are reflected in this proposed final budget.

BUDGET HIGHLIGHTS

Expenses

Our charge as city officials is to provide for the health, safety and welfare of the citizens. That generally means providing for the basic needs. Other services beyond that scope can be thought of as enhancements to quality of life that as a matter of policy, should be designated by the City Council. There are no changes in the assumptions of the levels of service provided in the 2023 budget, besides the previously approved change to color printing for quarterly newsletters.

The city has been benefitting from low inflation, including fuel prices, for over a decade and that relief has ended. The Collective Bargaining Agreement for 2021-2023 contract was settled with a 3% increase to wages per year, in addition to any step increases for employees with less tenure, as required under the City of Mound Pay Equity Policy. The City has reduced full-time employees by over 25% since 2008 as shown in the table below and continues to look for opportunities to automate and streamline processes to accommodate the relatively lean staff until such time additional resources can be added to increase service levels.

Department	Full Time 2023	Full Time 2016	Full Time 2008	Change 08 v '23
Admin & Finance	3.75	6.00	7.00	-3.25
City Mgr/PW Dir/Spv	2.00	1.00	3.00	-1.00
Planning and Inspection	3.00	3.00	3.00	0.00
Fire	2.00	2.00	2.00	0.00
Liquor	1.00	2.00	2.00	-1.00
PW Union	11.00	12.00	14.00	-3.00
Total FTEs:	22.75	26.00	31.00	-8.25
				-26.6%

In 2023, General Fund expenditures, *excluding* the increase in the liquor store transfer, grew \$486K, or 8.3%. The main reasons listed below explain almost ¾+ of the increase, with inflation and COLA impacts explaining much of the rest:

- The City levied its portion of the debt service for the Public Safety building which was paid off in 2022, ending the special debt levy and increasing the amount attributed to fire department operations paid out of the General Fund by \$171,125. In the fire budget, excluding the new pumper truck, fire expenditures actually decreased by 2% at the same time we were able to raise fire fighter wages and increase the pension contribution.
- The Emerald Ash Borer issue compels us to increase Parks tree removal budget by \$30K some of which may be recovered by a DNR grant.
- Increasing need for retaining wall repairs reflected in +\$20K to Streets Other Contractual Services.
- General Liability and Property Insurance premiums increased 24.3% overall for 2022, with departments in the General Fund increasing \$11,500. Additional increases expected.
- The police contract CPI increase is capped at 5% but still amounts to an additional \$94K.

As mentioned, inflation drove sharp increases in line items like fuel and supplies.

Revenues

Schedules have been included to show changes in the levy and tax rate over the years.

A 20% increase is proposed for the General Fund Revenue levy, which at 85% capture rate and a *46% reduction in Local Government State Aid (LGA)*, equates to a 9.5% increase in total General Fund revenue (excluding liquor transfer). LGA was eliminated in 2003 and prompted a significant increase in the levy. LGA was then reinstated in 2014 after the formula was changed which allowed the City to reduce the overall levy by 1.18% at a time we were still issuing new debt. Since 2014, Mound's LGA allocation has been consistently above \$300K. In 2023, Mound's portion dropped to \$168,842, a result of Mound's larger increase in tax capacity compared to the state wide average and the legislature's failure to renew the supplemental aid package.

Because the Total Levy increase was kept to the planned 5% and not the 7% recommended by Staff to offset the reduction in LGA, the capital reserve funding was reduced from \$835K to \$703K. Per the long-term financial plan approved in 2018 and updated annually, the city created capital reserve funds which will continue to be funded as older debt issues mature and

will pave the way to reducing bonding needs and special assessments for the next generation of street and capital improvements. The reserves also help offset the over \$6M utility fund deficit in the short-term in order to moderate increases to the utility rates.

The Council approved keeping the electric and gas franchise fees in place through December 31, 2025, at the same rate of \$2.75 per meter per month. It should be noted that Public Works and Fire support the gas and electric companies on a frequent basis during storm-cleanup, after lines have been severed in construction, in response to gas leaks, etc.

Enterprise Funds

Liquor Store Fund

The Liquor Fund began contributing to tax relief again in 2012, \$50K per year for 2012 – 2016, \$125K in 2017/18, \$175K for 2019/20, \$200K in 2021, \$250K in 2022 and \$300K for 2023. The funds pass through the general fund to the seal coat fund which is an integral component of extending the life of our new streets. The plan is to seal coat the streets every 5 – 7 years. That, along with a one-time mill and overlay, should make the new streets last over 30 years. The underlying water and sewer infrastructure is expected to last 40 – 50 years although it should be noted not 100% of pipes were replaced during the road projects, so repairs and lining projects will continue.

Wages were increased for our part-time liquor store clerk, volunteer fire-fighter, and seasonal public works maintenance worker positions in order to keep them competitive. In Minnesota, the city is considered a large employer with over \$500K in revenues. Minimum wage for large employers is \$10.33 per hour and will increase by CPI for 2023. Although our starting wages for the part-time and seasonal positions are above those amounts, we no longer enjoy the competitive advantage that we once had.

The store staff focuses on quality, selection, customer service and convenience. The remodel was completed in February 2020 and revenues had large gains starting in March due to the COVID-19 pandemic and associated stay at home order. Even as the economy opens back up, sales and profitability trends remain favorable.

Water Fund

The Council voted to freeze water rates for 2018-22 to provide relief to utility customers and Staff recommends beginning a 3% per year increase to help offset the significant cash deficit which is currently being covered by the governmental funds. The City used the \$1M of American Rescue Plan funds for water main improvements. The cash deficit grew from \$2.87M in 2020 to \$3.70M in 2021 and \$4.55M as of June 30, 2022. Water revenues are down 3.5% year to date. Reasonable and consistent rate increases are key to avoiding the double digit rate increases seen in the past (see table on page 35 of the budget packet), not increasing the current cash deficit, and helping to fund the debt service on the \$2.5M in water related capital improvements scheduled for 2023 – 2025 in the CIP. A 3% increase to water and a 3% increase to sewer will raise the average bill a total of 2.8%. The total monthly utility bill for the use of 5K gallons a month would go from \$104.69 to \$107.63.

There are no assumptions in the budget regarding the water treatment facility and it should be noted 70% of the water revenues collected goes to existing debt service. That is why a water treatment facility is not feasible without state assistance. Debt service on \$24M would cost

\$1.6M a year, which is more than double the debt service we are currently paying in the Water Fund. The additional \$280K in operating expenses to run the facility will increase current operating costs (excluding depreciation) by nearly 50%.

Summary of the current Capital Improvement Plan (CIP):

**SUMMARY
11/7/2022**

PROJECT	FUNDING SOURCE	2023	2024	2025
STREET PROJECT COST	Special Assessment			
	City (1/3), Bonds			
	General Obligation (City) & 404	\$413,500	\$437,800	\$1,146,600
	Pavement Repairs (400/440)	\$75,000	\$75,000	\$75,000
SEWER FUND PROJECT COST	Road Maint. Cap. Reserve (427)	\$174,000	\$181,000	\$145,000
	Sewer Fund	\$1,145,250	\$858,750	\$1,005,250
	WATER FUND PROJECT COST	\$1,010,000	\$802,000	\$802,000
	STORM SEWER FUND PROJECT COST	Storm Water Utility Fund/401/404	\$155,000	\$100,000
RETAINING WALL FUND PROJECT COST	Fund 401	\$75,000	\$75,000	\$75,000
GRAND TOTAL		\$3,047,750	\$2,529,550	\$3,348,850

Sewer Fund

Lift Station Upgrades - The city has 30 sanitary sewer lift stations, 23 of which will have been replaced as of 2022. The plan is to replace one per year and try to limit the increase of sewer rates to 3%. The fund was operating with cash deficits, until the City Council approved \$4.2M in bonds in 2020 that reimbursed the City for sewer infrastructure improvements but will be repaid by the property tax levy. To reiterate, the City is trying to balance property tax and utility rate increases with the need to continue infrastructure updates. In addition, manholes are being rehabilitated. This program addresses mandates from the Metropolitan Council for upgrading our infrastructure which is intended to reduce our fee to Met Council for wastewater treatment and to avoid any penalties for overflow. While the city works on lining *public* sewer pipes, it should be noted nearly 50% of the pipes are on private property which also contribute to I&I.

Metropolitan Council – the wastewater treatment fees were down (4%) in 2022 and another (6.6%) in 2023, after an increase of 17% in 2021. This is a highly volatile line item for the sewer fund and staff will continue to work with the Met Council to evaluate its formula and meter inflow into Mound lines from both the Met Council and neighboring city lines. The city's extensive collaboration with Met Council on joint projects have streamlined the system, reducing I&I and the chance of backflow during large rain events.

Storm Sewer Fund

Storm sewer projects increased dramatically in conjunction with the street projects and outstanding needs remain as we have over 200 outfalls into Lake Minnetonka that we are required to maintain to reduce the amount of phosphorus and sediments flowing into the lakes. Upgrades to the storm sewer system include mitigating storm water drainage problems such as washouts, standing water in the streets and water in yards and homes. In 2018, the Council approved a reduction to residential storm water fees in order to provide relief to utility customers. Reductions to street light and storm water utility fees resulted in a 14.5% reduction to the base quarterly residential utility bill. With the completion of the street projects in 2018, storm water management investments will diminish significantly until some of the bonds mature

and the fund begins to recover. The cash deficit of \$947K in 2020 increased to \$1.27M in 2021 and \$1.56M as of 6/30/22, and will continue to grow as revenues do not cover operating costs and debt service. The majority of new improvements are being charged to the Infrastructure Replacement Reserve Fund (401).

Recycling Fund

The City renewed its curbside recycling contract with Republic Services for a flat \$5.10 per household per month (PHPM) for 2022-2026 and a flat \$5.85 PHPM for 2027-2031 with no fuel escalators. The city collects \$5.25 per month from every household. The difference of which pays for administering the program, leaf drop off and the annual May "clean-up" day hosted with the City of Minnetrista. The Hennepin County recycling grant is \$14,725 for 2022, down from \$30K in 2017, reflecting the County's shift to focus on organics recycling. The city implemented a trial organics recycling drop-off site in the Centennial Building parking lot, as required by Hennepin County. Residents must register and obtain a key which helps to protect against illegal dumping and rodents. Over 75 households have signed up and we will continue to promote the program in the quarterly newsletter.

LEVY SUMMARY

Special Revenue Funds / HRA Levy

The HRA levy funds the municipally-owned portions of the Harbor/Transit District. An HRA budget in Fund 285 has been established for the Harbor/Transit District's routine care and long-term maintenance, which are costs that go beyond the debt service requirement for the transit center bonds.

The HRA levy amount is limited to 1.85% of the prior year taxable market value, which is \$289,444 for 2023, but Staff is recommending to keep it essentially flat at \$250,000.

Approximately 70% pays for the debt service on the parking deck and the other 30% is credited to the Harbor/Transit District, for which significant investment will be made in the next two years to make this a premiere central gathering space.

Starting in 2019, accounting for the Lost Lake Slip revenues moved to Fund 285. These slips are technically not part of the Common Docks Program (Fund 281) although they are managed in conjunction with it. Separating the funds from the regular dock program better demonstrates how these revenues will be used to maintain the entire Harbor District, including but not limited to, the Lost Lake Slips, Greenway, pier, new park, ultimate redredge, annual weed treatments, etc. These amenities will require the City to build substantial reserves and isolating these reserves in Fund 285 will prevent confusion as to their purpose and provide better clarity as to whether the regular dock program is breaking even/supported by the current fee structure.

Tax Levy Recap

Another consideration is the City Property Tax Rate (Net Levy/Tax Capacity = Tax Rate). Tax capacity increased in 2015, the first time since 2009, and the overall tax rate is decreasing steadily from a high of 57% in 2014. Tax capacity for 2023 increased \$5M or 30% over prior year which will result in a significant drop in the tax rate as shown in the table below.

The preliminary levy was set at 5% and the final levy can't be higher. Three scenarios are shown below in order to demonstrate the relationship between the levy and the City's need for financing. The current working Long Term Financial Plan/CIP just shows the next 5 years

(2023-2027) because more work needs to be done to identify needs and inflation impacts for 2028 and beyond. For instance, the downtown sidewalk improvements and City entrance monument were only added in 2021, and the trail crossings improvements and next phase of Surfside Park improvements still need to be added, among others.

Summary	2022 Budget	2023 Proposed	2023 Alternate	2023-2027 per year Scenario 1	2024-2027 per year Scenario 2	2023-2027 per year Scenario 3
Change to Total Levy %	5.0%	7.0%	5.0%	5.0%	7.0%	10.0%
Projected City Tax Rate	40.2%	33.0%	32.4%			
Increase in Tax Levy \$\$ from Prior Yr	\$ 314,378	\$ 462,171	\$ 330,171	Average Per Year		
Annual Capital Reserve Funding	\$ 880,000	\$ 835,000	\$ 700,000	\$ 1,040,000	\$ 1,596,000	\$ 2,519,000
Projected Bonding Needs 2023-2027				\$ 8,530,000	\$ 6,180,000	\$ 1,565,000
Change to Sewer/Water Rate %	3.00%/0.00%	3.00%/3.00%	3.00%/3.00%			
Increase in Sewer/Water Rev vs. Pr Yr	\$74K/\$0K	\$80K/\$60K	\$80K/\$60K			

Fund Balance is important to maintain in order to provide cash flow between the bi-annual tax receipts. Unassigned fund balance is a key factor in the city's bond rating and a reflection of its fiscal strength. The City of Mound has an informal target of 20% unassigned fund balance as a percentage of expenditures, which we have been able to maintain at or better, with the exception of 2011 when the classifications changed due to the implementation of GASB 54. The Office of the State Auditor recommends a *total* fund balance of 35% - 50%, a range we have also been able to consistently maintain. Standard and Poors renewed the AA Stable bond rating for the 2020 bond issue.

In closing, we recognize the budget and the resultant levy is the prerogative of the City Council. If you have questions, please feel free to call or email us in advance.

Thank you for your kind consideration.

Respectfully,

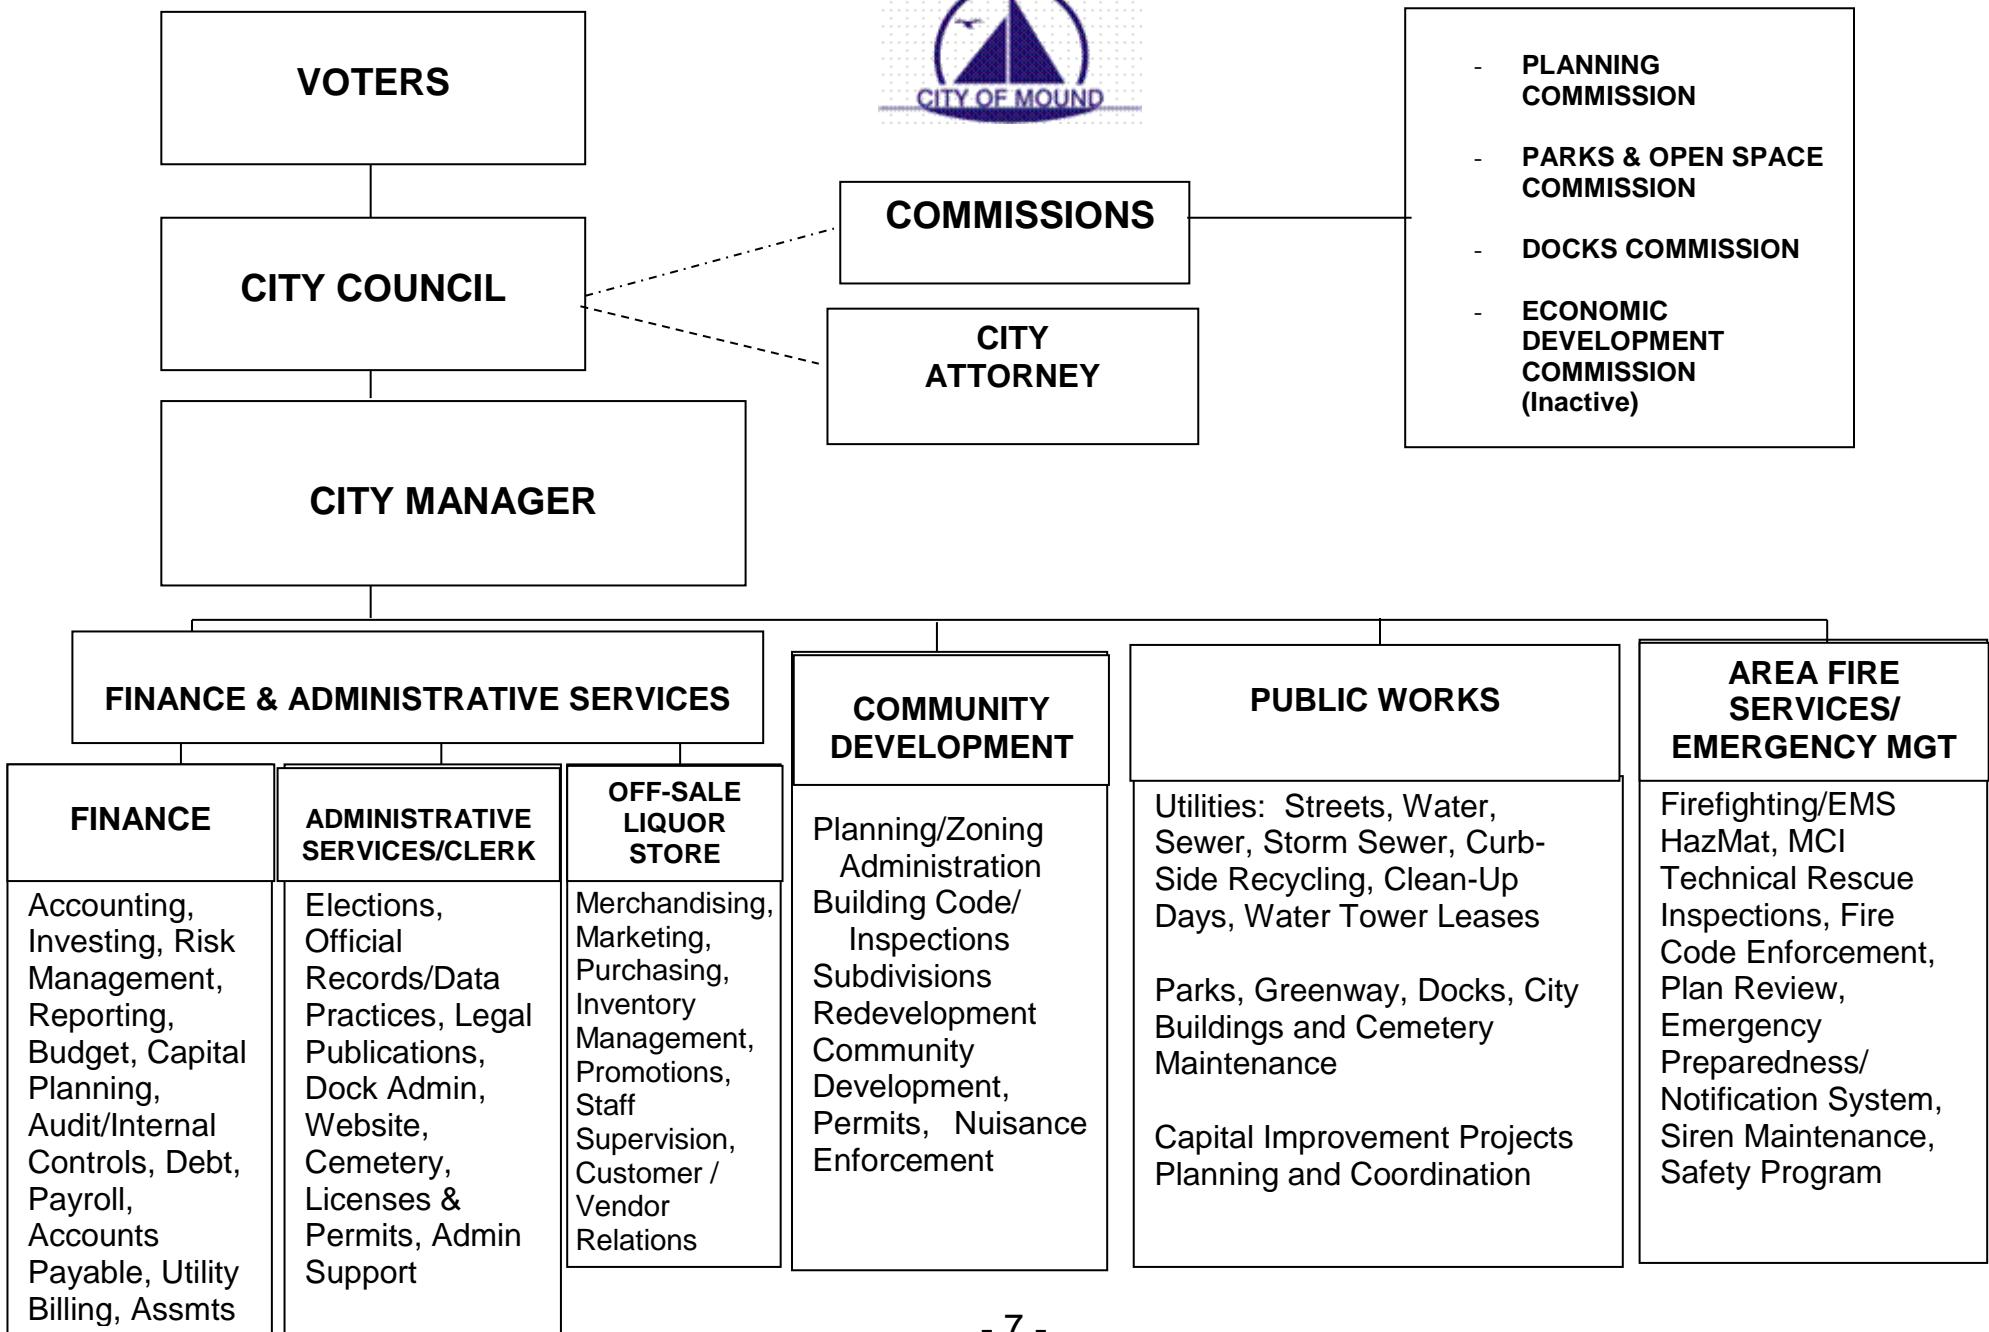

Eric Hoversten

REF = Residential Equivalent Factor

Note: Only Single Family or Duplex Rates are listed above.

Other classifications include:

	Current Rate <u>per month</u>	Approved Rate <u>per month</u>	<u>per acre</u>
Cemeteries	\$3.82	\$3.82	0.00%
Parks and Railroads	\$11.65	\$11.65	0.00%
Retail/Commercial/Industrial/Warehouse	\$78.36	\$78.36	0.00%
Church/Schools/Institutional Use	\$19.46	\$19.46	0.00%
Multi-Family	\$46.73	\$46.73	0.00%

Rates for these classifications are higher because of the amount of hardcover typically associated with these properties.
