Have used or unwanted building materials and tools laying around? Don't throw them out — Donate!

The Minnetrista/Mound Special Clean Up Day is an opportunity to donate usable building materials to a local nonprofit that specializes in the reuse and resale of building materials. Better Futures Minnesota will be onsite to vet all materials for quality and potential for resale.

Guidelines

- Event is open to residents of Minnetrista and Mound.
- Our partners reserve the right to refuse unusable materials. All items deemed acceptable will be taken for free.

Accepted

Used items in good condition accepted unless otherwise noted

- Cabinetry – bath vanities, kitchen cabinets, cabinet doors
- Countertops – laminate and stone (straight sections only; no peeling, deep scratches, burn marks or excessive caulking)
- Doors – interior (solid wood, no hollow core) and exterior (metal)
- Flooring – hardwood (new and used) and laminate (new only)
- Grout, mudding – new, unopened containers only
- Hardware – handles, pulls, hinges
- Light fixtures – no shiny brass
- Lumber – 4 foot minimum length, denailed
- Nails, screws – no rust, in original box/container (no jars or glass)
- Plumbing fixtures – faucets
- Tile – new only, full boxes
- Tools – electric (corded or battery powered), hand (screw drivers, wrenches, hand saws, hammers, etc.) and yard (rakes, shovels, etc.)
- Windows – unbroken only, no mold or water damage
