## Fire Protection and Suppression Fees

| Total Valuation       | Permit Fee   |
|-----------------------|--|
| \$0 to \$500          | \$38.50  |
| \$501 to \$2,000      | \$38.50 plus \$3.36 for each \$100 over \$500 or fraction thereof        |
| \$2,001 to \$25,000   | \$88.90 plus \$15.40 for each \$1,000 over \$2,000 or fraction thereof   |
| \$25,001 to \$50,000  | \$443.10 plus \$11.11 for each \$1,000 over \$25,000 or fraction thereof |
| \$50,001 to \$100,000 | \$720.85 plus \$7.70 for each \$1,000 over \$50,000 or fraction thereof  |

Installation and/or Removal of Flammable and Combustible Liquids and LP Gas Tanks

No permit for the installation of any flammable, combustible liquids and LP gas storage tanks shall be issued until the applicant files with the Building Code Department a complete set of plans for such system approved by the Fire Chief or his or her designee. The permit fees are as follows:

| Installation For any tank not buried or enclosed                                    |          |
|---|----------|
| 500 gallons or less   | \$ 50.00 |
| Over 500 gallons  | 50.00    |
| For any tank buried or enclosed   | 65.00    |
| Removal   |          |
| For removal of any combustible and/or   |          |
| flammable liquid tanks  | 40.00    |
| For the removal of any above ground and/or below ground storage tanks of liquid gas | 40.00    |

NOTE: ALL PERMITS COVERED UNDER THIS APPLICATION MAY BE SUBJECT TO A PLAN REVIEW FEE OF 65% OF THE PERMIT FEE. CONTACT MNSPECT AT 952-442-7520 FOR DETERMINATION IF PLAN REVIEW IS REQUIRED.

## Surcharges

All municipal permits issued for work pursuant to the State Building Code shall be subject to a surcharge fee. The fees are established by MN Statute 16B.70. Currently, the surcharge is .0005 of the valuation of the work. If a flat fee is charged, surcharge is \$5.00 (thru June 2013). 2022
