- For info on Bagsters call 1-877-789-BAGS (2247). Bagsters are available to anyone. You purchase a Bagster for around \$30 at a hardware store, then you call when it's ready to be picked up. One bag is \$126.94 and \$110.98 for additional bags picked up the same day. Contents cannot extend higher than the edge of the Bagster and the driver must be able to pull the yellow straps together with no extra effort.
