

HENNEPIN COUNTY

MINNESOTA

Hennepin County is selling compost bins to help you get started with backyard composting

Start recycling your fruit and vegetable scraps and yard waste into nutrient-rich compost right in your backyard by purchasing a compost bin kit from Hennepin County.

Composting in your backyard has many benefits, including reducing the amount of garbage your household produces, putting your fruit and vegetable scraps and yard waste to better use, reducing the amount of water and fertilizer you need for your yard and garden, and improving the quality of your soil while encouraging plant growth.

Pre-order a compost bin kit for pick up

The compost bin kits sold by Hennepin County are made of cedar and wire mesh. Bins are sold as a kit with all materials, hardware, and assembly and composting instructions included; some assembly required. Bins cost \$50 each, and optional lids are \$10 each.

Bins can be pre-ordered for pick up at a distribution event (listed below) or purchased at the Hennepin County Drop-off Facility in Brooklyn Park during regular facility hours. Learn more and pre-order a bin at www.hennepin.us/composting.

The closest distribution event is scheduled for Tuesday, May 22nd from 5-7 pm at St. St. Louis Park Municipal Service Center, 7305 Oxford Street, St. Louis Park, MN 55426

For more dates and locations and to pre-order a bin visit www.hennepin.us/composting.
