

Senior Community Services

Our vision is to mobilize the community to Reimagine Aging!

www.seniorcommunity.org

Senior Community Services is a well-respected nonprofit provider of senior and caregivers services in Mound. Senior Community Services programs include:

- **Senior Outreach & Caregiver Services:** Senior Community Services' resource specialists work directly with seniors and those who care about them to identify the best combination of affordable community resources to help each senior age in place with dignity, safety and health. Call 952-767-7895
- **CareNexition Care Coordination Tool:** Senior Community Services' easy-to-use online tool enables caregiving teams to coordinate tasks, locate resources, and get live help from a resource specialist, bringing together the support needed to help their loved one live a vital and engaging life. Visit www.carenexition.org or Call 612-770-7005
- **(New to the City of Mound) Household and Outside Maintenance for the Elderly (HOME):** Senior Community Services' high-quality and affordable homemaking, home maintenance and chore services are delivered by trusted professionals and community volunteers. Call 952-746-4046
- **Medicare Insurance Counseling:** Senior Community Services' group workshops and one-to-one support help seniors make the best choices for Medicare and Medicare supplements. Call 952-767-7887
- **Senior Partners Care:** Senior Community Services' advocacy, partnership building and registration processes help medical providers and low-income seniors work together to reduce out-of-pocket costs. Call 952-767-0665
- **Gillespie Center:** Senior Community Services partners with the Gillespie Center to help seniors discover a variety of intellectual, social and physical programs to stay active and healthy in their community. 952-472-6502
